

RoHS Compliance Statement

General Statement of RoHS Compliance

We the Talema Group committed to serving our customers to select RoHS Compliant products and offer this general statement regarding our products are in Compliant with Directive **(EU) 2015/863 dated 4th June 2015** amending Annex II RoHS 2 (Directive 2011/65/EU called **CE-marking directive**) which aims to prevent hazardous substances from entering the production process and thereby keep them out of the waste stream. This information is intended to provide general guidance to the customers to help them to select compliant products. If compliance certification on specific products is needed, we can also provide such certification on request.

Declaration

Legislation relating to the Restriction of Hazardous Substances (RoHS) in Electrical and Electronic Products require us to assure our customers of our compliance in this regard. We confirm that none of the products we manufacture contain any significant amount of restricted substances.

The restricted substances and limits are listed here:

Restricted Substances & Maximum Concentration Values tolerated by weight in Homogenous Materials		
Restricted Substances	Restricted Limit Maximum (% by Weight)	Restricted Limit Maximum (in ppm)
Cadmium (Cd)	0.01	100
Mercury (Hg)	0.1	1000
Hexavalent Chromium (Cr6+)	0.1	1000
Lead (Pb)	0.1	1000
Polybrominated biphenyl (PBB)	0.1	1000
Polybrominated diphenyl ethers (PBDE)	0.1	1000
Bis(2-ethylhexyl) Phthalate (DEHP)	0.1	1000
Benzyl Butyl Phthalate (BBP)	0.1	1000
Dibutyl Phthalate (DBP)	0.1	1000
Di-IsoButyl Phthalate (DIBP)	0.1	1000

Where as, ppm - Parts per Million

Future Compliance

- We will continue to monitor RoHS Directives as a part of continual effort to provide quality products that meet the requirements of the customers and markets that we serve.
- Talema Group Standard terms and Conditions apply to RoHS Compliance and Talema Group reserve the right to amend this statement at anytime based on subsequent updates on directives
